1085-10 (CO)

Dear Parents/Guardians:

**TREETOP TREKKING EVENT IN BRAMPTON, ONTARIO**

We are organizing an exciting event to the Heart Lake Conservation Area to participate in Treetop Trekking. Last fall, we took our senior cadets and can personally vouch for the excellent experience. The total time from arrival to finish is approximately 3 hours. We will be leaving the armoury in the morning @ 8am and returning @ 1pm. There are certified staff that provide introductory training as well as supervision during the event. 1188 officers and civilian volunteers will be also be supervising the cadets during the day.

Further details on the company and location can be found at the following link -  
<http://treetoptrekking.com/en/brampton/>

Our cadet corps will be covering the majority of the costs, however, a \$10 fee is required for each cadet in order to reserve your spot. Presently, there are two dates being offered and we would like to solicit feedback as to your preference as well confirmation on the numbers of attendees. Should there not be enough interest, we will postpone this outing until to fall of 2014. Please indicate if you are able to attend as well as your first and second date choices.

The two dates are: Saturday June 21 2014 & Saturday June 28 2014

Transportation is being finalized and our hopes are that a school can be used to simplify the process. Should this prove to be financially impossible, we will be looking for parents to provide transportation for their cadets / carpooling etc.

**CADETS MUST BRING THEIR HEALTH CARDS ON THIS EXERCISE**

Cadets are to wear appropriate civilian clothing based on the weather forecast and the nature of this physical activity. Cadet FTU's including combats boots, are unacceptable for this activity.

If there are any questions about this event, please do not hesitate to ask.

Sincerely,

Mark B. Phillips  
Captain  
Commanding Officer  
Oakville Army Cadets

---
